

## Report on the Use of the Promotion of Reading Grant

2023-2024 School Year

### Part 1: Evaluation of the Effectiveness

1. Evaluation of achievement of the objectives: (e.g. reading culture of the whole school, students' reading attitude, book borrowing situation and students' engagement in reading activities)

To foster a proactive attitude among students in their learning communities

To enhance students' motivation to learn and pursue excellence

To further develop students to be community contributors

2. Evaluation of strategies: (e.g. implementing diversified and motivating activities to promote reading, reading across curriculum and home school co-operation)

To encourage students to read different books and newspapers,

To make good use of verbal rewards and different academic awards to encourage students to learn independently, enhance students' sense of accomplishment, and pursue excellence,

To cultivate students' sense of responsibility through commitment to community services or cross-curricular activities.
