2017-2018 Student Circular No.53

5 March 2018

Dear Parents,

To maximise students' exposure to English outside school, we would like to inform you of the opportunity to enrol your child in Summerbridge, English immersion programmes that last for a maximum of 14 months (comprising 2 summer programmes and 1 school programme), with S2 students being the target participants. They can also take part in Sponsor Engagement activities where they meet different professionals working in Hong Kong.

The programmes are tuition-free, and aim to empower students without resources.

Interested students should complete the printed application forms and, together with other required documents (family income proof, address proof and marked writing work), mail them to the organisation by post by 31 March 2018.

For further information, please refer to the Chinese description of the programme and application forms attached with this eCircular, or visit Summerbridge's website (<https://summerbridge.org.hk>).

Yours sincerely,

The Principal
