Good morning everyone, I am Erica Hung from class 5D, the president of Student Association 2017-2018 academic year.

In these 36 days, we all let the sweat washed away our childishness, immaturity and juvenility, portraying our brand-new outlook. Experienced predicaments, queries, we learn to lit up with tender smile. Perhaps, the trammels, intricacies and difficulties are the building blocks to make the skyscrapers steady, see to it that we scramble up summit, in which we are given the precious opportunity to carry on the vision of every past students' associations, that is the vision of a campus filled with color and joy. During our journey to serve Hofungers, we are destined to climb mountains, still, we are determined to give it our all.

'Life is a box of chocolate, you never know what you're gonna get', but when things are not going as you wish, Apricity is the beacon in the dark, paving the way whenever needed. As we said before, we are the strong and stable bridge between students and the school's authorities.

The night ends, the sun starts to rise, shadows lengthening and the aureate light beginning to burnish the campus with golden shreds, and Apricity is going to leave no stone unturned, serving everyone with all our effort. This year, we are going to organize a wide variety of activities, providing different platforms for talented students. Strive for numerous welfare facilitating your lives. Despite the fact that there is still a long way to go, we won't stop till we get the to peak.

Last but not least, I am here to express my sincere gratitude for your trust, which built us a ladder toward the success. We will try hard to live up to our promise and to fill your year sparing no strength.
