2017-2018 Student Affairs Circular No.74

25 June 2018

Dear Parents,

LS Class with English as the medium of instruction

Previously some of your children indicated that they would like to take part in the LS class taught in English for the coming academic year 2018-2019. This choice leads on to years 2019-2020 and 2020-2021 as well. Please be reminded that there will be no option to change this choice once confirmed, and students who choose to participate in 2018-2019 are also agreeing to participate in the following two academic years. Regardless of prior communication, we will need your cooperation to finalise numbers for the respective classes. In order to optimize resources and scheduling for the class, we **will not** offer the class if the number of students applying is **less than 25 students**.

Please confirm whether your child will be participating in the LS class conducted in English. This form will need to be submitted to the form teacher on Wednesday 27 June 2018.

Your cooperation is appreciated.

Yours sincerely,

The Principal
