EB is an online interactive programme for learning English. It develops your child's critical-thinking skills and enhances their language proficiency whilst helping them to achieve excellent examination results. EB features authentic content adapted from reputable content providers and attractive reading materials that help to enrich your child's learning experience. This programme consists of four parts: listening, reading, speaking and writing, and includes the latest question types and topics from the HKDSE English examinations.

This online summer programme is sponsored by our school, and will run from **9 July to 31 August 2018**. Please note that two lessons will be released every week—12 lessons in total during this period. Your child can access the EB Summer Programme by logging in to www.wiseman.com.hk. Please note that your child needs to complete these assignments by **31 August 2018**.

We hope that you will encourage and support your child to actively participate in this programme.
