2019-2020 Student Circular No. 9

3 September 2019

Dear Parents,

To bring our junior students to the aesthetic space of English, we are offering Secondary 2 students an English drama training programme provided by The Absolutely Fabulous Theatre Connection (AFTEC) with the Life-wide Learning Grant, in addition to the study of literature featuring poems and songs in junior forms with school-based materials. Your child, in groups of 18 students or less, will be attending a year-long training programme delivered by experienced English speaking drama tutors according to the following schedule:

Since the drama training sessions extend beyond lesson hours, you are reminded that your child will be staying behind for the lesson. In case your child is unavailable for the after-school training due to reasons such as medical appointment, external exams, please present valid documents the following day to justify his/her unavailability, or his/her attendance will be stated as absence otherwise.

It is hoped that, through the exposure to and the performance of plays in English lessons and after school, students will learn not only a wide range of vocabulary, reading and speaking skills essential for academic success especially for the Drama elective in Paper 2 for the HKDSE (English Language), but also themes, ideas, traits and values which are fundamental in life.

To support your child's learning, please sign the reply slip and have your child return it to his/her GR teacher by 9 September 2019 (Monday).

Yours sincerely,

The Principal
